Hello!

I'm elha's new Rent Collector. My powerful new mobile app, created by elha with support from our partners at Mastercard®, is exclusively for elha tenants and was created to help you pay your rent and manage your finances.

It uses the latest Open Banking technology, used by all the major high street banks, to keep you in complete control of your rent payments.

It is safe, secure and totally confidential.

Instant Payment

New Regular Payment

Use my app to instantly see your current **Rent Due** along with any other charges, all in real time. You can also link up your bank account to see your current balance, so everything is all in one place!

Make an **Instant Payment** or set up **Regular Payments** to pay your rent. You can manage your Regular Payments by **day, date**, when you **receive a payment** or use the more advanced features so I can tell you when it's the right time to pay your rent.

The choice is yours!

Payments are quick, easy, and secure. I will help you **set up payments**, but you'll authorise each one.

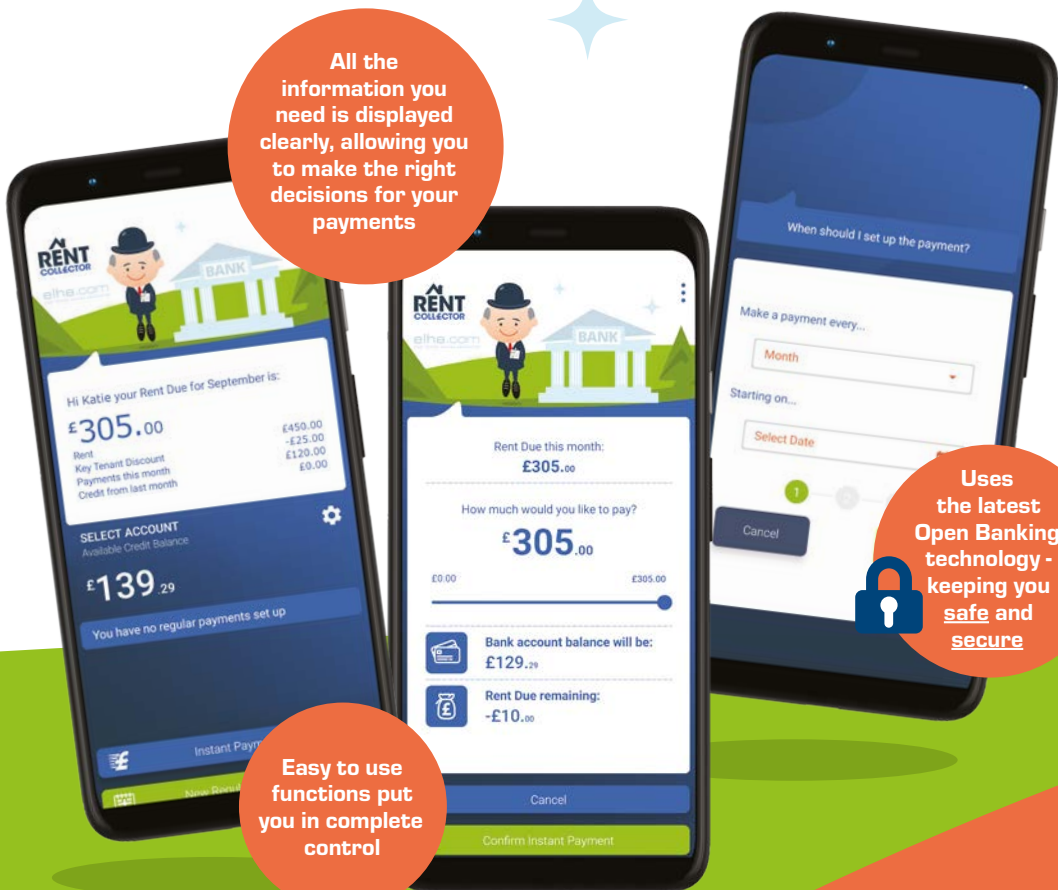

To help you keep control of your finances, I will show your **bank balance before and after any payment**, and warn you if a payment may take you into your overdraft before you make it.

No more accidental overspends!

All the information you need is displayed clearly, allowing you to make the right decisions for your payments

Easy to use functions put you in complete control

Uses the latest Open Banking technology - keeping you **safe and secure**

Head to elha.com or your **My Home** account to get started and follow the instructions to download my app and sign in using your My Home account details. Alternatively, you can scan the QR codes below, to take you directly to the App Store or Google Play.
